A surcharge applies for services on Saturdays, Sundays and public holidays:

+ 50% on Saturdays

+ 100% on Sundays and public holidays.

Unless expressly stated otherwise, the prices exclude all costs, charges, taxes or duties that are claimed by the government or other authorities for the execution of the Agreement, regardless of whether they were already known at the time of the conclusion of the Agreement.

5.3 Waiting Hours

If the Carrier is confronted with additional waiting hours at the Loading and / or Unloading Place, which transcend the hours as stated in art. 4.1 due to circumstances that cannot be attributed to the Carrier, the Client owes the Carrier a surcharge for these extra hours or waiting hours.

Complaints made eight (8) calendar days or later after receipt of the invoice by the Client are no longer admissible. If a part of the invoice is challenged, the objection must clearly indicate which part of the invoice is challenged and to what amount this query relates. Since the invoice remains fully due and payable, regardless of the objection, the Client undertakes to pay at once, in the case of a partial objection, at least the uncontested amount or the amount corresponding to the uncontested part, in accordance with the General Transport Terms & Conditions, without this provision undermining in any way the chargeability and the collectability of the other parts and amounts and the applicability of the General Transport Terms & Conditions in this matter.

This provision does not relate to any reservations made on the Waybill. The handling of any claims is completely independent of the payment of the carriage assignments.

- any delay in payment shall automatically and without notice give rise to the application of an interest rate of 1% per month from the due date, to be capitalised automatically and immediately, without notice;
- any delay in payment shall automatically and without notice also incur fixed damages of 10% on the outstanding balance, with a minimum of EUR 125. This reasonable compensation of 10% does not exclude payment of a compensation for administration of justice nor of any other proven costs of collection;
- AERTSSEN TRANSPORT is no longer obliged to (further) execution and can suspend all deliveries immediately and without prior notice;
